BVS Global provides Background Verification, Attestation, Visa, Company Formation, Translation, Equivalency and Relocation services to both, businesses and individuals. For services delivery, BVS Global counts on procedural experts that factor in client's requirements and implements need-based solutions accordingly. Compliance with all applicable laws, regulations and rules is ensured and each process fast-tracked to meet urgent deadlines. BVS Global charges economically to support every budget without compromising quality at any stage.

The spokesperson at BVS Global recently stated, "BVS Global made its debut in the year 2010 and has grown ever since. In close to 10 years of service, we have executed over 473,797 service requests in 107 countries and earned more than 11 prestigious awards. From individuals, start-ups, SMEs to globally recognised companies, we have served them all. Irrespective of the assignment's volume or complications, we are committed to delivering fast, efficient and affordable solutions to anyone who approaches us for assistance. We are experts in client servicing and keen to earn customer trust and referral and repeat business."

BVS Global's expertise in background verification is undisputed. From workforce screening, customer screening, identity verification to partner due diligence, and more, the company offers it all. Equally impressive is the company's track record in translation service delivery for normal and legal contracts, product manuals and policies, in addition to legal, official, business, academic, medical, and non-technical and technical documents.

BVS Global also has special abilities with assistance in Tourist Visa, Visit Visa, Family Visit Visa, Business Visa, Medical Visa and Residence Visa, and relocation services. End-to-end assistance in company incorporations is also ensured to any business keen on an international presence. On document attestation services in India, the spokesperson stated, “Governments around the world observe a set process to authenticate a document or certificate. Known as legalization, the process is hard to navigate in lack of procedural knowledge. The legalization requirements vary from a country to country depending on the type of document being legalized and its intended use. At BVS Global, we have been helping people with their certification, attestation, and legalization needs for close to a decade. Armed with vast experience and deep-rooted procedural and compliance-related knowledge, we ensure customized solutions, in time, every time. We answer clients’ questions and provide step-by-step instructions.”

BVS Global can get attested, legalized and certified anything – be it marriage, birth and divorce certificates, academic certificates, such as degree and diploma, certificates of incorporation & business contracts or documents from British Overseas Territories, Certificate of no impediment and export certificates and religious documents. [Bvsglobal.Com/India/](https://bvsglobal.com/india/) is capable of getting a document certified by the United Arab Emirates, Qatar, Oman, Bahrain, Kuwait, Saudi Arabia, USA, UK, Australia, Canada, Australia, Philippines, New Zealand, Ireland, South Africa, and other countries.
