

A cross-sectional diagram of a floor assembly. The top layer is a thin, light-colored material. Below it is a thicker, light-colored layer with a dashed line indicating a boundary. The bottom layer is a dark gray material. A white oval with a black border is positioned in the center of the dark gray layer, containing the text "depressed floor". To the right of the oval is a large, black-outlined arrow pointing upwards towards the floor assembly.

depressed floor
