

The Heart of Your Business: You and 2 Simple Pattern To Prosperity

The simple pattern to prosperity shows you how it is possible to build a foundation for financial freedom, slowly, surely, consistently applying the same steps month after month.

THE MONTHLY DUPLICATION PATTERN:

You and 2 - a simple pattern to prosperity is an easy and uncomplicated way for you to duplicate your way to success.

To follow the pattern simply hold 2 average parties every month and recruit 2 new Sales Representatives every month and train them to do the same. This table illustrates the potential monthly commissions that can be generated if every Representative in your organization repeats the You and 2 pattern every month and each of their downline team members do the same.

Month	Average Parties	Personally Sponsored Sales Reps	Total Organization	Potential Commissions*
1	2	2	3 (You and 2)	\$356.00

3	2	2	26	\$803.00
4	2	2	69	\$910.00

These figures should not be considered guarantees of the earnings a particular Representative will realize. Earnings depend on individual effort and the individual efforts of those on your team.

THE MONTHLY

DUPLICATION PATTERN:

You and 2 - a simple pattern to prosperity is an easy and uncomplicated way for you to duplicate your way to success.

The plan to duplicate yourself and train your team to do the same is easy and provides slow steady growth resulting in your success and the success of Sales Representatives you sponsor.

There's lots of get rich quick schemes out there and they promise to deliver you to success without any effort. Those promises always end in disappointment because there's no such thing as getting rich without working. Reaching goals requires dedication to methods that work, time to properly practice and perfect the method, and it requires working with others.

Building a business is only achieved when you actually invite others to partner with you to build the business that you both desire. Inspiranza wasn't built by one person, it required the partnering of two women, Diane and Dawn. And, when you get two women together, that's when the fun starts, or in this business, that's when the party starts! Are you ready for real success in your business? This simple duplicatable pattern to prosperity will give you what you want. It all starts with you - and 2!

What do you need to do the first month? Just have 2 average parties a month (\$500 is an average party) and share the opportunity with others bringing on 2 New Sales Representatives a month. You are not limited to 2 parties or 2 New Sales Reps a month, but that's the formula as you move forward. And that's the formula you will want to teach your field to repeat.

What do you do the second month? Just have 2 average parties a month bring on 2 New Sales Representatives.

What do you do the third month? Nothing new, continue what you've been doing. It's a simple process and one that doesn't require learning anything new.

Your downline will be doing the same thing each month because you trained them with the You and 2 plan. This puts everyone on the same path with an easy to duplicate process. You cannot be a success alone. The fun starts when you work with friends, and that's how this plan was created to work. You and 2 - it's more than a good idea, it's the way to set your goals and work your plan to achieve the success you desire. Whether it's earning \$500 a month or ten times that amount, it all starts with You and 2! Slowly, steadily, surely, it will do what it's created to do. People are the heart of your business, start the adventure today with the You and 2 method.
